SPAY DAY 2011

Spotlight: Big and Beautiful

On February 22, 2011, Rascal Charities, Rascal Unit, and Columbus Dog Connection will be celebrating National Spay Day by sterilizing 50-60 large breed dogs and puppies at a cost to the owner of \$35.

Because this is a Rascal Charities' funded event, pet owners must meet eligibility criteria. Visit our website at http://www.rascalunit.org/RascalUnit/SPAY_DAY.html for information.

We would like to thank the following individuals for their support: Patty Hoyer, MaryLou DiDonato, Nicole & Dave Lewis, Judy & Gary Barnhart, and Donna & Jeff Salisbury and fur kids Ruby, Rusty, Megan, and Rachel.

February is Pet Dental Health Awareness Month

Does your pet have bad breath? Are your pet's gums red and inflamed? Do you see tartar formation on your pet's teeth? If you answered yes to any of these questions, your pet may be in need of a dental cleaning. Bad teeth can lead to discomfort as well as serious health problems such as kidney, liver, and heart disease. For more information contact your pet's veterinarian to schedule a dental exam or send us an email at askthetvet@rascalunit.com.

Rascal Unit Crew to Appear on Animal Planet

Animal Planet's series Confessions: Animal Hoarding airing on February 18th at 10pm will be sharing the story of Ray, a man who had more Mastiffs than he could care for. After our assistance with the cat hoarding case of Sharon, Animal Planet asked us for help sterilizing and treating the dogs.

Although we did not get air time during the last episode, the production company assures me that the Rascal staff and truck will be shown in this episode. For more information on the series or this episode, visit their website at <http://animal.discovery.com/tv/confessions-animal-hoarding/cases.html>.
