Rascal Unit Surgery Milestone: Over 40,000 sterilizations

This year the Rascal Unit reached 40,000 sterilization surgeries since the clinic began traveling throughout the state in 2006. We are very proud to have the opportunity to help so many animals as well as their owners and caretakers in the state of Ohio.

We know that we could not have done this without the help and support of all the great rescue people that host us throughout the state. Their hard work and love of animals help us bring our services to different counties in Ohio.

We hope to continue to provide this service for years to come and help control the pet overpopulation problem as well as decrease the number of euthanasias in shelters due to overcrowding.

Help us thank our hosting groups by supporting their efforts and donating to their cause. Travel clinic information is available at www.rascalunit.org.

Featured Rescue of the Month: Yorkshire Terrier Nat'l Rescue

YTNR is a 501c3 rescue that specializes in rescuing and adopting Yorkies. Because they are a specific-breed group, they have great knowledge and understanding of the different problems these little guys are predisposed to.

YTNR is in desperate need of foster homes. For information on adoption or fostering visit www.ytnr.com.

Spay Day Spotlight: Big and Beautiful Big Success!

On February 22, National Spay Day, the Rascal Unit sterilized 43 female and 23 male large breed dogs for a total of 66 dogs.

Our staff and volunteers did a fantastic job ensuring patient care was a priority and helping keep everything organized so we could efficiently help these many dogs and take the time to go over questions with their owners.

Our co-host, Columbus Dog Connection, helped us both with assisting through the day and helping provide extra cages to hold out big patients. They definitely stepped up to give us a helping hand and we are very grateful!

We want to once again thank our sponsors for helping fund this event, including Patty Hoyer, MaryLou DiDonato, Nicole & Dave Lewis, Judy & Gary Barnhart, and Donna & Jeff Salisbury and fur kids Ruby, Rusty, Megan, and Rachel. Together we helped improve the quality of life of these dogs and do our part in helping control pet overpopulation.

Rascal Returns To Licking County Hosted by LCHS

We are pleased to announce that our travel clinics to Licking County will resume in May thanks to the Licking County Humane Society. The group will be taking over scheduling and the first scheduled clinic date is on May 22nd.

To schedule a surgery appointment, you can contact the Humane Society at (740) 323-2100 or by email at homewardbound@windstream.net.

For information about the Humane Society, visit their website at www.lchspets.org.
